Jackson Commercial Contractors Association will award two continuing education grants in the amount of \$1,000 each to graduating seniors who will start their further education toward a construction-related career during the summer or fall of 2017. The grant check will be made payable to the grant recipient and the educational facility or program designated by the applicant. Grant winners will be determined by the Scholarship Committee based on the application questions, letter of recommendation, and recommendation of the faculty of Jackson Area Career Center Construction Trades Program.

A basic purpose of Jackson Commercial Contractors Association is to educate local youth about the many fulfilling and rewarding careers available in the Construction Trades. The construction industry is a key player in the health of our community. By promoting new employees in the industry we are helping to support the prosperity and growth of the community and helping to insure the continued availability and excellence of dedicated local contractors.
