2023 Continuing Education Scholarship

The Jackson Commercial Contractors Association (JCCA) is pleased to announce that we will award up to five \$1000 Continuing Education Scholarships at our April 12, 2023 JCCA Membership meeting from 5:30 – 7:30 pm.

The scholarships will be awarded to high school seniors, graduating in 2023, who have a sincere interest in a construction-related career.

Grant Qualification Requirements include:

- Senior graduating in 2023 from a Jackson County High School
- Student must be enrolling in a 2 or 4 year College or University, a recognized trade school, a formal training program conducted by a construction industry trade organization or an apprenticeship program.

To apply for the grant, you need to:

- Complete the attached application
- A Letter of Recommendation from a teacher, counselor, or supervisor from a construction related job.

Applications must be submitted by March 24, 2023.

Applications can be emailed or delivered to: Dan Draper, Principal Jackson Area Career Center
dan.draper@jcisd.org (517)768-5222

Application Date _____

Applicants Full Name: _____

Street Address: _____

City, State, Zip Code: _____

Cell Phone: _____

Email Address: _____

High School Attending: _____

Please answer the following questions concisely, essays are not required.

1) In what potential career(s) are you currently most interested?

2) What particularly attracts you to this/these career(s):

3) In what subject(s) in high school were you most successful and why did you enjoy those subjects?

4) Tell about summer jobs or after school experiences that you found most interesting educationally and enjoyable?

5) Tell us about your extra-curricular activities, out of school activities, community service activities, awards you have achieved and hobbies you enjoy?

6) Tell us about your plans for enrollment in a program that will assist you in reaching your construction-related career goals?

7) **Furnish one Letter of Recommendation** from a high school or work authority. It should cover character, personality, industry and general worthiness of the scholarship applicant.

JCCA will award up to five continuing education scholarships in the amount of \$1,000 each. The scholarship check will be made payable to the scholarship recipient and/or the educational facility or program designated by the applicant.

Scholarship recipients will be determined by the Scholarship Committee based on the application questions, letter of recommendation and the recommendation of the faculty of the Construction Trades programs at the Jackson Area Career Center.

A basic purpose of the Jackson Commercial Contractors Association (JCCA) is to educate local youth about the many fulfilling and rewarding careers available in the Construction Trades. The construction industry is a key player in the health of our community. By promoting new employees in the industry, we are helping to support the prosperity and growth of the community and helping to insure the continued availability and excellence of dedicated local contractors.
